RE: Permit Monitoring Reports  
2/27/90 Permit Application-Amendment 1

Dear Tom:

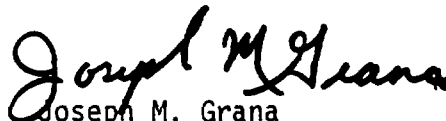

In response to a phone conversation I had with a Mr. John Thiel of your office on April 10, 1990, I am requesting an amendment to our recent permit application submittal to include a request for a change of one of the monitoring requirements.

In Part 2, Paragraph 5, titled "Monitoring Reports", it states that a monthly monitoring report is due the 30th day of each succeeding month. I am requesting that the monthly monitoring data be reported in a manner more in line with our current Administrative Order, #V-W-88-AO-01. The Administrative Order requires Cerro to file a quarterly report to the Chief, Compliance Section, U.S.EPA, 15 days after the end of the quarter. This order is found in Paragraph 2.

If you should have any questions, please call my office.

Very truly yours,

CERRO COPPER PRODUCTS CO.
